Genetic hair loss (male and female) and telogen effluvium (hair shedding)
4 x monthly sessions with Tricogenesi growth factor serum £1,500

Followed by

Maintenance sessions every 3 months (costs as per single sessions)

Diffuse alopecia areata and inflammatory types of alopecia (scarring alopecia):
8 x fortnightly sessions with steroid gel £3,000 exc gel

Followed by

Maintenance sessions every 1-3 months if deemed necessary after review by Dr Wong (costs as per single sessions)

MISCELLANEOUS COSTS

LETTERS:

Ad hoc letters (separate to consultation letters) - £100 each

PRESCRIPTIONS:

Wherever possible we would encourage repeat prescriptions to be obtained via your GP. Prescription requests made outside of the consultation (excluding Roseway and CloudRX prescriptions) will incur an admin fee of £50 per prescription. This will be processed online and sent to one of our partnered pharmacists Pharmacierge or DOSE GB who will arrange payment and delivery of the medication(s) separately.
